Time Zone:

The Honeywell Center is located in the **Eastern Time Zone.**

Area Code:

260

Zip Code:

46992

Handicapped Access:

The Eagles Theatre has 13 readily useable wheelchair locations. Handicap accessible rest rooms are available on the west hallway of the theatre lobby. Handicap accessible shower facilities available in the lower level star dressing room. Hearing assistance system is available.

Policies:

Preferred house open time is 60 minutes prior to curtain. It is understood that individual production needs may preclude this possibility. Only in extreme circumstances (safety concerns, etc.) will the house be postponed beyond 30 minutes to curtain. We will typically run preshow slides and have an offstage or recorded house announcement unless it conflicts with the show.

Alcohol will not be provided by the Honeywell Foundation.

The Eagles Theatre is a smoke free environment.

Directions:

From the North:

State Road 15: continue south on 15 into town, turn left (east) on Canal Street which is the second stop light after the railroad track. Take Canal Street to the second light, which is Wabash Street. Turn left (north) on Wabash Street. At the next light, which is Market Street, turn left (west). The theatre will be 1 block west on right side.

State Road 13: continue south on 13 into town, turn right (west) on Market Street, which is the first stop light after the railroad track. The theatre is 1 block west on the right side.

From the South:

State Roads 15 and 13: State Roads 15 and 13 come into town on S. Wabash Street. Turn left (west) on Market Street, which is State Road 15, and is the second stop light after you cross the Wabash River. The theatre is 1 block west on the right side.

From the West:

Highway 24: stay on 24 to State Road 15. Turn right (south) on State Road 15. Take State Road 15 to Canal Street, which is the second stoplight after you cross the railroad tracks. Turn left (east) on Canal Street. Take Canal Street to the second light, which is Wabash Street. Turn left (north) on Wabash Street. At the next light, which is Market Street, turn left (west). The theatre will be 1 block west on right side.

From the East:

Highway 24: stay on 24 to State Road 13. Turn left on 13 south into town. Turn right (west) on Market Street, which is the first stoplight after the railroad tracks. The theatre is 1 block west on the right side.

Loading door is located on the northeast corner of the Eagles Theatre, directly off of Miami Street. This is not a dock, it is a ground level roll door with an approximate 36" drop down to stage, ramp provided from street level to stage. Bus and truck parking is located on the east side of the building running parallel to Miami Street. If traveling with a large bus or truck we will traffic cone off the side of the area the day before for your arrival.
